Presidential Greetings

Dear Pilots,

Happy Founder's Day! It was 88 years ago that a group of women came together to form an organization to do service to their community. They did not set out to change the world but through their commitment to friendship and service they did just that. Would they be surprised at the scope of their organization today? Probably, but the bottom line is that we are still just small clubs doing good in our communities. Pilot is still about commitment to friendship and service. Tonight we honor our Founders but we also honor our club. For it is our commitment and our friendships that keep us going. Hopefully our club will still be alive 88 years from now.

We have lots of activities coming up and I hope each of you will make the commitment to do your part. We have our first Bunco Party of the year on Saturday. PLEASE come help or if that is not possible send a goodie and buy a few tickets to sell or give away. It takes ALL of us to make these fundraisers worthwhile.

We also have the Halloween Party at the Women's Center later this month. Projects need commitments from you to help out. I promise you it will be well worth your time.

Four of us attended the East Central Region Founder's Day Dinner in Daytona Beach on October 6. There were about 60 Pilots in attendance and it was really a wonderful event--fun and meaningful. We all made some new friends as well.

Lois and I look forward to representing our club at Fall Council at the end of the month. Sometimes it is hard to drag oneself to all these Pilot events but I have ALWAYS been glad I did! Pilot really is worth investing in and the more you participate, the more fun you will have. Thank you for your commitment to our club, friendship and service.

In Pilot love,
Pat

The pancake breakfast was our 1st fundraiser for this club year. We would like to thank each and every Pilot for their support in making this event a success, whether it was

buying/selling tickets, putting up flyers or coming to cook and serve breakfast. We cannot be successful in our Plans of Work without the help of everyone. We are happy to report that we reached our goal of making the \$400.00.

Garage Sale: Saturday, November 7 from 8:00-2:00. It will be at the home of Eileen Segerson in the Sanctuary at 2245 Mockingbird Lane. Items may be brought to Eileen's home on Friday, November 6.

Fashion Show: Saturday, February 6, 2010 from 2:00-4:30. It will be held at the Suntree Country Club (at St. Andrews and Wickham). The cost will be \$25.00. There will be a Fashion Show meeting on Sunday, November 8 at 2:00 at the home of Peggy Bretz. **THIS MEETING IS FOR ALL PILOTS. WE NEED THE HELP AND ASSISTANCE FROM ALL PILOTS TO MAKE THE FASHION SHOW A SUCCESS.**

Great Lakes Scrip Cards: We have now placed 2 orders for cards and everything is going OK. We have made \$47.15 so far. We plan to have order blanks available at each meeting so that the members can place their orders. Please keep in mind that we do have to cover the \$7.50 shipping and handling fee before we can place the order.

Membership Division

We met October 7 at 5:00 pm at the Piccadilly. Our membership was discussed. We have a prospective member who has submitted her application as a result of our mail out membership drive. Another prospective member has also submitted her application. We will be initiating these new members at our next general meeting. The plans for the Founders Day program were finalized. Suggestions for our Christmas party were discussed and will be shared with the membership at the November meeting. Our next meeting will be held on Wednesday November 4 at the Piccadilly.

Our Halloween Party will be October 28th for the children of the Women's Center. We will need volunteers for this event. We will be setting up at 4:30P.M. Please come in costume. This will be finished before 6:00 P.M.

Don't forget your filled shoeboxes for Veterans Day delivery. If you forgot them at the October meeting please let me know and I will either pick them up or tell you where they will be delivered and who to contact.

We will be looking for volunteers for the Salvation Army Bell Ringing. More information will be forth coming.

Start gathering goodies for the Christmas Socks which will be distributed in the November Meeting for you to fill and return at the Christmas Party. I will then deliver then to the Women's Center. These filled socks will be for the women who live at the Women's Shelter.

Thank you for your support and volunteering efforts.

Pilot Scholarship House Foundation

Our goal for the "Pennies for Pilot" this year is \$250.00. We are well on our way and have collected \$57.67

Be sure and save all of that loose change for the Pilot Piggy Bank. It is amazing how a few coins quickly add up to big dollars.

Joan Spangler, Pilot Scholarship Foundation Board member will be our guest speaker at the November meeting. Joan is the liaison between the scholarship houses and the board and she will give us an update on the houses and the girls.

The Anchor Club Committee

Faye and Eileen attended the October MCC Anchor Club meeting. The meeting went well, the members worked on the memento boxes. Eileen took pictures for their and our scrap books. No mention was made about the dues at the meeting so I contacted Mary Frances by E-Mail and she will have two checks this week. We will pick them up, make the required copies and get them mailed so they will be received by International and Florida District by Nov. 1. So far so good at Anchor.

Sunshine Report

Everyone is doing pretty well. Carletta is in rhythm again, but now she had a scare with a polyp in her bladder that the doctor told her was cancer, but after all the tests were done he now says probably not. She had minor surgery (outpatient) to remove the polyp on Tues. They will know for sure after the pathology report.

Please keep our members who are unable to attend meetings, because of health problems, in your thoughts. Call or visit them when you can so they don't feel like we

have forgotten them. They are still Pilots and have made important contributions to our club for many years and need more than ever our "Pilot Love".
