Presidential Greetings

Happy September. It's supposed to be the beginning of Fall but as usual in Florida it sure doesn't feel like it. I don't know about you but I'm ready for some cooler weather.

Lots of things going on in the Pilot world this fall. Founders Day Celebration is being hosted by the Pilot Club of the Halifax Area on Oct. 7th at 6:30 in the Volusia Room, Daytona International Airport. If you would like to go please let me know right away. We will car pool up there so you can just sit back and let someone else do the driving. Cost is \$25.00 and dinner choices are Chicken Marsala or Pot Roast.

Fall Council is in Ocala on November 5-7, 2010 registration fee is \$100 and Pilot room rate is \$129. If you would like to go please let one of the board members know; we can share rooms and lessen the cost. I have received a challenge from the Fall Council District Project's coordinator, that we bring one food item for each club member to the Fall Council. The food will be donated to Interfaith Emergency Services need to Support Food 4 Kids.

I also received a letter from the Pilot Club of Miami to make our October meeting a "Pilot's Passionately Pink for the Cure". They suggest that we wear a pink item to the meeting and have each member donate \$10.00 to the club and forward the money collected to the Susan G. Koman for the Cure.

I have started something new with this JIB SHEET, the "Mystery Pilot" each month I'll select a member as the mystery pilot and give some clues about them. There will be a spot along with the clues for you to enter your guess and submit it at next month's meeting. Whoever gets it right will get a small gift. If there is more than one right guess then we'll put all the correct answers in the hat and pull out one name to receive the gift.

You can tell how big a person is by what it takes to discourage him.

In Pilot Love,
Nancy Villard, President

Projects Division

Projects Division has several projects coming up and we hope everyone will participate.

FIELD TRIP to BRIDGES on Wednesday, September 29th at 2:00. For those who would like, we will be meeting for lunch at Ashley's on U.S. 1 in Rockledge at 12:00. Afterwards we can caravan to Bridges which is located at 1694 Cedar St. in Rockledge. Those who are unable to meet for lunch can meet us there.

HALLOWEEN PARTY for abused women and children at the Women's Center. This will be on October 29, place and time yet to be determined. We will be meeting in October to put together some activities. This may involve some arts and crafts. All of you are encouraged to help put things together and especially to help out with the party. We will need bodies!

SHOEBOXES FOR VETERANS. We will start collecting these at the October General Meeting. Decorated shoe boxes can contain items for men or women. Please mark on the box: M for male or F for Female. This year the boxes will go to veterans who are participating in a new program where

homeless vets are being set up with housing. They will need everything from personal items, including socks to items for setting up housekeeping. If you will not be at the General Meeting in October you can bring your box to Party, Party, Party or give it to any member of the Projects Division by November 1. This is such a worthwhile project and so very appreciated. Thank you all in advance for your participation.

Tonight I will pass around a sign-up sheet for anyone who would like to help out at the Special Olympics Area Bowling Tournament on Saturday, September 25th from 11:30 to 4:00. If you can only help out for part of this time that is ok too. We would be helping with crafts for athletes waiting to bowl. All supplies will be furnished so you would just need to show up to help supervise.

These are the hands-on projects that help make Pilot FUN and we hope you will participate.

Anchor Club Report

The Anchor Club of MCC had their first meeting on Sept.2, 2010 at 10:25. The startup was quite rowdy, 31 students present. Ms. Coburn quieted everyone down, club applications were given out, Ms. Coburn explained what was expected of them if they joined the club and if they did not intend to come and do the work they should not complete the application; 6 young men left to join another club. We now have 25 Anchor members. The new officers were introduced; the club president Mariel McLaughlin told them they must

have their \$15.00 yearly dues at the next meeting in order to get the funds in by Nov, 1. They are presently working on 2 projects; collection of the educational box tops and Campbell labels (which we can help with) that will be donated to a local public elementary school, and they are planning to do a Fun Run as a club in October to raise funds for the Cancer Society.

I went over a few of the upcoming things, the Fashion Show and Anchor Convention, which we will continue to discuss as each event gets closer. My committee and I will meet next month with the Anchor Board and go over their plans of work and discuss the leadership issues with them so they have a little more structure to their meetings. These officers are young but I think we are making headway with each meeting.

Mr. Bolin was given the Provisional Pilot invitations, he will have them addressed to the 6 Anchor graduates from last year. Things are looking good.

Valerie Cronin, Anchor

Special Olympics volunteer opportunities. If anyone is willing and able to help at any of these events you can call Pat Tebbe or Nancy Taback from Special Olympics directly. Her number is 536-7206. You can also e-mail her at: nancy.taback@brevardparks.com.

Most of these are coming up quickly in September but perhaps you have several hours to spare for one of them. I'm sure it will be rewarding. Here are the opportunities:

1. Sun., Sept 19 - 1:30 - 5:00 Fall Festival Sock Hop at Kiwanis Park. Bring and serve hot dog, chips and root beer floats.
2. Sat., Sept. 25 - 11:30- 4:00- Special Olympics Bowling at Shore Lanes Merritt Island. Assist with crafts for athletes waiting to bowl. Supplies provided.
3. Sun, Feb. 13 - 1:30 - 4 - Sweethear Dance at Viera Community Center. Food, decorations or favors for participants. (It is possible we may try to add this to our Plans of Work?)

FALL COUNCIL DONATIONS REQUESTED

Thanks to the generosity of Pilot members Shirley Pyle and Nancy Bierema the PSHF is able to send two of our scholarship house girls to Fall Council. We are asking other Pilots and Pilot Clubs to consider donating \$100.00 to PSHF designated to cover Fall Council expenses for our girls. We have girls at all three houses that are interested in attending and would love to be able to send all of them. And, the girls have volunteered to help at Friday night's auction as well as with the costume contest on Saturday. If your club is able to contribute \$100 or even a portion of the expense, it would be greatly appreciated. Please send your donations made payable to PSHF to Charlotte Edenfield at 3181 Chaires Cross Road, Tallahassee, FL 32317.

Letter from your Editor:

If you haven't noticed by now, the Jib Sheet has a new format. I am hoping to get more news and fun stuff in and have a more enjoyable newsletter. I will not charge the club anymore for the larger format. The extra paper is not that much more. I hope you will enjoy the new format and

information. If you have any tidbits of news, trivia, jokes (clean of course) or any ideas of what you want in the newsletter, please let me know at joycemig@cfl.rr.com.

Also keep in mind our website as well for information we want to get out to the public or other clubs.

Don't Forget Flu Shots

The CDC now recommends the flu vaccine for just about everyone over age 6 months. Everyone who wants to get the flu shot can benefit -- and it certainly can save some people's lives. Flu shots are readily available at Walgreens, CVS Pharmacy, Sam's club and many more. No appointment necessary at a lot of places and Medicare, Tricare and many insurances pay for it.
