Presidential Greetings

Fall will be here in a couple of days and I'm sure looking forward to a bit of cooler weather. All of our Divisions have their plans in place for this year and it looks like we'll be busy. Thank you to Mary Jane and her committee for all the work they've done for getting everything ready for our 50th Anniversary Celebration this coming Saturday (9/24).

Thank you to Pat and Valerie for taking over the organizing of our annual Fashion Show. I know they will do a wonderful job and if you feel you want to contribute more to the Fashion Show please do not hesitate to contact either Pat or Valerie and they will be more than happy to direct you to where your help is needed.

I would like to suggest that we dress up for Halloween at our October meeting. I will bring it up at our September meeting. We can always use some fun at our meetings.

Respectfully submitted to you,
Nancy Villard, President.

Membership Division

We met at 3:00 pm at my house on Wed. Sept. 14th at which time Pat Tebbe, Fashion Show Coordinator, joined us. She gave us each a copy of our division's responsibilities for the show. We also planned the program for the October General Meeting, which is Founder's Day. Ideas for the Christmas party were discussed and we will finalize the program at the next two meetings. We are encouraging everyone to invite anyone you know that would make a good pilot!

Always keep eyes and ears open for new Pilots and remember -- "Talk Pilot".

Projects Division

We had a very nice turnout for our field trip to BAAB. We enjoyed dinner together and then had a very interesting and informative visit with BAAB. They do such good work and are such dedicated volunteers. They also really appreciate our support. They had a very nice spread of desserts and sandwiches for us. A good time was had by all. Hopefully everyone is selling raffle tickets to help support them.

At the General Meeting we will be voting on the charities that we will support with our Fashion Show funds. Here is the list we have selected for this year.

Angel Flight	BAAB
Bridges	Devereux Foundation
Leeza's Place	Make-a-Wish
Special Olympics	Women's Center

If you would like to speak for or against any of these charities, please come to the meeting prepared to do so.

We will be discussing our Wellness Bags at this meeting also.

Pilot Scholarship House Foundation

Here are some interesting facts about Pilot Scholarship House Foundation:

- Since 1962, the Pilot Scholarship House Foundation (PSHF) of the Florida District of Pilot International has made it possible for hundreds of female students to attend Florida State University in Tallahassee, the University of Florida in Gainesville and Florida Gulf Coast University in Ft. Myers.
- The Scholarship Houses are home to the 17 to 23 female students who live together under the same roof while attending college. Management of the house is by the students themselves. In this cooperative living arrangement, residents take turns planning meals, shopping, cooking and cleaning up after the nightly group dinners. Household duties are assigned and performed by students weekly. The budgeted cost of food and utilities for the semester is shared among the residents, with an average house bill per student of less than \$1000. Each house is supervised by a head resident that is a graduate student or Upperclassman elected and compensated by the *Southern Scholarship Foundation*.
- PSHF will continue to sponsor the three existing scholarship houses located in Tallahassee, Gainesville and Ft. Myers, built in 1977, 1992 and 1997, respectively. The members of the Florida District Pilot International, an international service

organization, are the main source of revenue of PSHF.

Anchor Club Report

MCC will be holding a Club Fair on Thursday, Sept. 22nd at 11:15 - 12:00 noon in the school gym. Hopefully Mariel McLaughlin, club president and Nolan Meltzer, co-president along with Miss Mary Frances Coburn will be recruiting big time. The Pilots that are planning to attend are Nancy Villard, Faye Pratt and Eileen Segerson,. They will follow up with a report to the club. I know we are all anxious to get things going; after the fair I will be looking forward to an actual club meeting. That's it for now.

Anchor Coordinator

Sunshine Report

Kelly Deutsch is back at Melbourne Terrace after having been hospitalized for pneumonia. Betty Demchock fell and has a new bad sprain. Lets keep them in our prayers. Everyone else seems to be doing pretty well.

Be sure to remember our members who can't get to the meetings. They miss us and would appreciate a card or call.
